

We are still looking for volunteers to mentor local youth and have altered our enrollment process to allow for virtual interviewing and training.

FIRST, GET INFORMED.

- Browse our website (bbbsmilwaukee.org/volunteer), learn about our three different mentoring opportunities, and choose the best program for you
- Have additional questions? Email startsomething@bbbsmilwaukee.org, call us at (414) 831-4563, or fill out the online volunteer inquiry form

SECOND, APPLY ONLINE.

- Once you choose which program is the best fit, we'll send you our online Volunteer Enrollment Form, which includes authorization to run a background check and contact your references
- *Community-based program only: You'll need a valid driver's license and auto insurance*

THIRD, ATTEND A VIRTUAL INTERVIEW USING ZOOM.

- After your application, background checks, and reference checks are completed and approved, a BBBS staff member will have a conversation about your life, family, interests, and volunteer expectations - *sometimes we will complete a second interview*

FOURTH, GET TRAINED.

- Complete online Volunteer Pre-match Training to learn to handle situations that could arise during your match
- After training is complete, a decision will be made about acceptance or non-acceptance as a BBBS volunteer

FIFTH, GET MATCHED.

- After you've been approved, we will contact you about a potential match
- You learn about the child, and the child and their parent/guardian learns about you
- If you both agree we'll schedule a time for your first Virtual Match Meeting with you, the child, their parent/guardian, and BBBS staff. **Match participants must adhere to Virtual Match Outing Rules & Guidelines and in-person Rules & Guidelines during future in-person meetings*
