August 22 - September 30, 2020

VIRTUAL THINGS TO DO IN THE COMMUNITY

**Twinkle, Twinkle Little Star hosted by Cudahy Family Library**
- **Age:** All ages
- **Dates:** Monday, August 24th from 6:30 - 7:30 p.m.
- **Details:** Everything you have ever wanted to know about stars! Big stars, little stars, new stars, old stars, and our star - the Sun!
- **To attend the event:** Go to [www.youtube.com/mjguillette](http://www.youtube.com/mjguillette) five minutes before the start time and look for the live event. A Q and A will be available throughout each of the presentations. Presentations will be archived on Dr. Guillette's YouTube Channel, normally within 24 hours of completion, so if you can't make the live event, you can always go back and view it at a later time.

**2020 Milwaukee Riverkeeper Boat Parade**
- **Age:** All ages
- **Dates:** Sunday, August 30th from 12:00 – 2:00 p.m.
- **Details:** Local artists and performers will once again showcase their talents on one-of-a-kind art installation floats at the 2020 Milwaukee Riverkeeper Boat Parade with Harbor District Milwaukee's HarborFest ToGo! This unique twist on the traditional family favorite features a parade of floats that really float! Art installations have been carefully crafted by local artists and performers to celebrate and honor the waterways we love. You can watch the event live from the comfort of your couch on Facebook or Youtube.

**The Planets hosted by Cudahy Family Library**
- **Age:** All ages
- **Dates:** Wednesday, September 30th from 6:30 - 7:30 p.m.
- **Details:** All about our solar system's planets and NASA's past, current, and future missions to explore them. Exoplanets and planets in other solar systems will also be discussed in the presentation.
- **To attend the event:** Go to [www.youtube.com/mjguillette](http://www.youtube.com/mjguillette) five minutes before the start time and look for the live event. A Q & A will be available throughout each of the presentations. Presentations will be archived on Dr. Guillette’s YouTube Channel, normally within 24 hours of completion, so if you can't make the live event, you can always go back and view it at a later time.

Radio Milwaukee Virtual Programming
**Age:** All ages
**Dates:** Ongoing
- **Dine N’ Dance, Weekdays 5:20 p.m.**
  It’s going to be a little bit until we can have dance parties in person again, so we’re hosting a virtual one every weekday at 5:20 as you’re making dinner! We’ll supply the tunes, you supply the moves.
- **Studio Milwaukee: From the Vault, Weekdays 6:00 – 7:00 p.m.**
  If you miss going to concerts for live music, tune in for a virtual show weekdays at 6:00 p.m. The hour-long concert will have a local opener and feature Studio Milwaukee sessions from three national artists, courtesy of our Studio Milwaukee Session archive.
- **414 (not so) Live, Thursdays 5:30 - 6:00 p.m.**
  Don’t miss your weekly fix of local music! We’re digging through our crate of past performances to bring you our favorites at 414 Live’s regularly scheduled time.
- **Kids’ Disco, Saturdays 9:00 a.m.**
  This is an opportunity for you and your Little to get acquainted with this funky boogie. Celebrate the start of the weekend and the end of the wiggles!

Betty Brinn Virtual Programming
- **Age:** Elementary School
- **Dates:** Every Tuesday at 2 p.m.
- **Details:** Caterpillar Corner
  Join us as we learn about the amazing life cycle of monarch butterflies. We will begin by meeting real caterpillars and discovering the steps they take to become butterflies! Resources will be provided for families who decide to create at-home habitats, but materials are not required for this program. For a list of suggested materials visit [monarchbutterflylifecycle.com](#). *Recommended for children age 4 and older. Email questions@bbcmkids.org with the subject line Caterpillar Corner to join these meetups.*
