We invite you to join our newest way to stay connected to matches. REACH on the Go has been created to help make it easy, purposeful, and fun for you to have activities to do with your Little.

Masks are required where ever you go, so we thought it would be fun to have matches maskup in style. This is a great way to incorporate teachable moments to discuss the importance of being safe, staying healthy, and wearing masks.

Sign up to come to our BBBS office and pick up supplies to create masks during **the week of September 14**. We will have masks, art supplies to decorate, BBBS logo iron-ons, and more to select from.

You can take your supplies and schedule a time to get together to create your masterpiece masks.

We ask that you take a photo of your match with your decorated masks and send to BBBS to be entered to a win a prize.

Please note: You can come as a match or as a Big for pick-up. We will also have books to take and continue to support reading.
