### **Presidential Speech - If I was president...**

Join us in teaching our youth about the importance of civic engagement.  
Work with your Little on creating a presidential speech:

- If I was president I would...
- Create a speech to share what your Little and your match would do if your Little was president. You can also make a video, use pictures, and more.
- Need ideas? Please contact your Match Support Specialist.

### **Teachable moments:**

- Awareness of civics, government, and offices held
- Develop writing and grammar skills
- Use critical thinking skills
- Emphasize the importance of youth voices being heard
