

October Monthly Activity

Match Memories for our Spirit Tree

The seasons are changing and we are getting ready for our Annual Spirit Tree in Cathedral Square Park! Even though we can't decorate the tree together as a group, we wanted to find a way for matches to be part of this holiday tradition.

Help us share the importance of mentoring with our community and show that we are stronger together! Please send us your favorite match photo along with a description of the memory it captures. We will use the photos we receive to create ornaments for our BBBS tree!

Email your favorite match photo and a description to bbbs@bbbsmilwaukee.org. We will accept photos from October 1 - October 31 and will use them to decorate our tree in November.
