### Youth and Teen Theater Workshops with Milwaukee Rep

**Date/Time: Saturday, March 4<sup>th</sup>, Saturday, March 11<sup>th</sup> / 10:00 am – 2:30 pm**

**Location: Various locations (see description below)**

**Cost: Free**

In response to the COVID-19 pandemic and in partnership with Milwaukee Recreation, Milwaukee Repertory Theater is proud to offer 2023 Saturday Youth and Teen Theater Workshops! This series of FREE theater workshops, taught by professional Milwaukee Rep teaching artists, is created specifically for the young artists in your life to feel creative, connected, and engaged this winter. This series of drama-filled fun will take place at three separate locations every Saturday through March 11th, 2023. Read below for three exciting theater workshop options:

- **JUNGLE JAM: *The Wild World of Musical Theater (Ages 7-12)***  
10:00AM-11:00AM at Center Street Library, Greenfield Bilingual School, and COA Goldin Center
- **WHODUNIT?: *Mystery Theater Detectives (Ages 7-12)***  
11:00AM-12:00PM at Center Street Library, Greenfield Bilingual School, and COA Goldin Center
- **INTERACTIVISM: *Theater for Social Justice (Ages 13+)***  
1:00PM-2:30PM at Center Street Library, Greenfield Bilingual School, and COA Goldin Center.

Additionally, FREE lunch will be offered to all participants from 12:00PM-1:00PM at each partner location!

Please note that registration for classes is capped at 35 students. Registrations will be honored on a first come, first served basis.

\*The activities listed are not sponsored by Big Brothers Big Sisters of Metro Milwaukee. Please contact the resource directly to ensure availability and to answer any questions. When going to an event or venue, call or check online ahead to make sure you are comfortable with the COVID safety precautions.

## March 2023 THINGS TO DO IN THE COMMUNITY

## March 2023 THINGS TO DO IN THE COMMUNITY

### Community Access Day at the Betty Brinn Children's Museum

**Date/Time:** Thursday, March 16<sup>th</sup> / 9:30 am – 7:00 pm

**Location:** Betty Brinn Children's Museum / 929 East Wisconsin Ave. Milwaukee, 53202

**Cost:** Free

All guests receive FREE admission to the Betty Brinn Children's Museum on the third Thursday of every month from 9:30 am to 7 pm. *Tickets are released 2 weeks ahead of each Community Access Day.*

### Spring Break Shows at the Planetarium

**Location:** Horwitz – DeRemer Planetarium (Retzer Nature Center) / S14 W28167 Madison St. Waukesha, 53188

**Date/Time:** Various dates depending on the show (see below) / 11:00 am – 12:00 pm

**Cost:** \$4/person

- **The First Stargazers (Tuesday, March 28<sup>th</sup> / 11:00 am – 12:00 pm):** This show investigates the mysterious alignments of the pyramids. Travel with us to Stonehenge and other giant astronomical sites to see the incredible structures, made by the first stargazers.
- **On the Blue Planet (Wednesday, March 29<sup>th</sup> / 11:00 am – 12:00 pm):** The Earth is just one of the planets orbiting the Sun, but the only one where conditions are just right to support life. Explore the remarkable variety of life on Earth. How long has the Earth existed and what are the conditions that make it suitable for sustaining life? Why do penguins live in Antarctica and lions in Africa? Why do cedars grow in the tundra and vines in the jungle? This trip around the blue planet will help to answer these, and many more questions, about our unique and wonderful home.
- **Little Draggy Adventure (Thursday, March 30<sup>th</sup> / 11:00 am – 12:00 pm):** Do you know where the earth lives? What surrounds it? How far is it from the Earth to the Sun, and what makes our planet different from the others? Take a wonderful journey with a cheerful dragon Woody, who travels around the Universe in search of fantastic adventures. This time the dragon arrives on Earth where he meets a smart girl named Lena. Together Woody and Lena will introduce the children to the most interesting things about our planet and tell them about the wonders of the Solar System like bright nebulas, galaxies, stars clusters, and wonderful comets.
- **Sky-Wars - Battles of Discovery (Friday, March 31<sup>st</sup> / 11:00 am – 12:00 pm):** Explore epic battles of change in the sky above us. Follow the struggles, as new discoveries alter our view of Earth and its place in the universe. Witness the connections, and conflicts, between astronomy and astrology. And lastly, voyage into the galaxy to glimpse how future discoveries might start new battles about the sky above!
