

SCHOOL-BASED MENTORING

School-based mentoring is a facilitated one-to-one mentoring program for Bigs and Littles to meet weekly at a partner elementary or middle school location. This provides an exceptional learning opportunity for Littles and allows matches to work together to achieve educational goals.

HOW IT WORKS:

- ❖ Mentors are matched with an elementary or middle school student.
- ❖ Bigs must be 18+ and out of high school.
- ❖ Bigs commit to volunteering for at least one year during the school year.
- ❖ Matches have scheduled weekly meetings to help with homework, read, play games, and enjoy fun educational activities.
- ❖ BBBS hosts agency sponsored activities outside of the school setting where mentors and parents/guardians have the option to meet.

AS A MENTOR, YOU WILL:

- ❖ Help a child develop positive attitudes towards school.
- ❖ Help a child achieve higher grades.
- ❖ Help boost a child's confidence and improve their relationships with peers.
- ❖ Receive ongoing professional support from a dedicated BBBS staff member.

HOW TO GET STARTED:

- ❖ **Scan here to apply** →
- ❖ Meet with Big Brothers Big Sisters staff for an interview and complete pre-match training.
- ❖ Once approved, we will facilitate your match introduction meeting.
