

Mentor2.0 is a proven, technology-enriched, mentoring program for high school students. It provides support and guidance, helping high school students graduate and succeed in both college and the workforce.

MENTOR REQUIREMENTS:

- ❖ Must be at least 21 years old, have a college degree or equivalent combination of education, training, or experience.
- ❖ Remain matched throughout the first year post-graduation.
- ❖ Professionals with real life work experience are encouraged to apply.

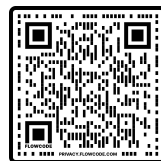

HOW IT WORKS:

- ❖ Mentors are matched with a high school student.
- ❖ Mentors work with their mentee using a comprehensive curriculum, improve interpersonal skills and communication.
- ❖ Interact weekly online and meet at school monthly either in-person or virtually, while receiving professional guidance from BBBS staff.

AS A MENTOR, YOU WILL:

- ❖ Help **improve the graduation rates** of first generation college students.
- ❖ Help catalyze a student's future success by **increasing college enrollment**.
- ❖ Help prepare a student to **succeed after high school**.
- ❖ Receive ongoing professional support from a dedicated BBBS staff member.

NEXT STEPS:

- ❖ **Scan here** to apply →
- ❖ Meet with Big Brothers Big Sisters staff for an interview and complete pre-match training.
- ❖ Once approved, matches are made when classes begin in the fall and are based on shared interests, personalities, and experiences.
